

Meet the Teacher Schedule

We are so happy to be having a Meet the Teacher this year but it will look a little different compared to years past. There will be 2 different nights so that we can social distance and we will need families to abide by the following guidelines:

- Please come at your designated time. We are trying to keep track of the number of people in the building and teachers will be pulled to do other jobs when it is not their designated class time.
- Only 1 adult with each enrolled student.
- Each adult must wear a mask but it is optional for the student.
- Teachers will have activities/toys out for the children to play with so please help us with not getting extra toys/supplies out as we will be sanitizing between each group of students.
- We must check everyone's temperature before they enter the building and if the temperature is 100.0 or higher we can't permit you into the building.
- We will not be taking any paperwork that night but please bring a pen in case there is anything to sign in the classroom.
- In order to comply with social distancing orders we will have the following schedule for our Meet the Teacher:
